products.

 **CD Great Industry Co, Ltd**

Company profile

C.D. Great Industry Co., Ltd. was founded in 2002 with a priority on high-quality ergonomic products that improve people's wellness, comfort and productivity. We have experience, capability, and R&D resources to develop and manufacture OEM and ODM products. We also provide comprehensive solutions for clients to refine the design, streamline manufacturing process to reduce costs, making designs possible for manufacturing and appropriate for marketing.

Our products are manufactured under a strict control program with ISO9001 certified. In order to meet each customer's expectation, every step of the manufacturing process is monitored under supervision including incoming material inspection, processing and product inspection, final-product inspection, packaging regular check-ups so that quality and safety standard is guaranteed. Our mission is to provide high-quality products and efficient service with the most innovative designs and attractive prices to our worldwide customers.
